Customer Reviews

I've been practicing with Book 1. This one leaves me some room for growth. It's a bit advance for me, but I'm looking forward to tackling it eventually.

You cannot beat the Schirmer editions for those studying classical piano. And this second book in Bach is both challenging and encouraging. Good stuff!

This book is not too difficult. Just right for someone who is trying to play in a duet and has trouble with rhthym

A great book when you finish book one.
