This is a very fun and relaxing read....I started out thinking there was not much to the plot and the characters seemed a little flat, but It really grew on me....I enjoyed reading about the characters and the nostalgic look back at those brave women pilots during WWII, who flew planes across the US in order to deliver the aircraft to the male pilots fighting overseas. It was adorable and charming at times, and a refreshing read without the gratuitous sex and violence that seems to be the norm nowadays.

Not my normal read... but my wife convinced me.

Interesting, funny and full of hope.
