Synopsis

Two eBooks for one! Edward Lasker was a Chess Grandmaster who won 5 US Open Chess Championship games in the 1900's. He published several books on Chess, Checkers, and Go. Chess Strategy and Chess and Checkers the Way to Mastership were two of his earlier works. These two books have been combined into one eBook for your enjoyment at a bargain price. Both works include illustrations and championship games. Very little editing was done on either books to preserve the integrity of the author's work.
