## Customer Reviews

Oh yes, I did laugh out loud any number of time while reading this. It is a very quick read of some hilarious text mail that auto corrected. It makes so glad that I do not text (by choice) so that I would not embarrass myself like these people did. Especially the ones sent to dear Dad. Must read if you text.

As a therapist, I believe in the need to laugh...often. This book is just hilarious!! If you are feeling down, I would highly recommend reading a few of these and you will be laughing in no time!! It is sometimes hard to find something that will make you laugh out loud. This definitely will do the trick!!
