Synopsis

Due to the increase in size of this document, I am required to raise the base price of this book. As of right now, it is impossible for me to set the price at \$0.99. The system won't allow it because my book file is over 3mb. For future books, I may have to reduce picture count or reduce the quality of the pictures, or I may just try to write more to justify the price increase? Idk. Anyway, sorry for the inconvenience. 18,000 words with 30 pictures. Whuuuuut? I don't even know...#15 is finally here! Sorry for the delay, but here it is, my longest book ever. :) Have fun reading #15. It is about to get interesting is all I'm gonna say... :D Disclaimer: This book is a work of fanfiction; it is not an official Minecraft book. blondish-brown hair. You can make the girl whatever you want her to look like and you could give the boy a name. Or, you can make a custom boy and girl! So they introduce themselves and Alex thinks she's stronger than them, although they are already warlocks and they just fell from the sky fighting boss mobs.
