Customer Reviews

Within the first 5 pages of the book, I was able to determine that there was no benefit to me to go LLC ... The cost of the book saved me \$300 in LLC filing cost using NOLO's online service for CA... winning!

This was very helpful, and provided me with all the examples I needed. I applied for my certificate of organization with the state, wrote my operating agreement, applied for my tax number and opened

the business bank account in short order.

Excellent! I am quite sure I already submitted Seller Feedback for these purchases ...
