Indigenous Peoples And Autonomy: Insights For A Global Age (Globalization And Autonomy)

Synopsis

When the UN adopted the Declaration on the Rights of Indigenous Peoples in 2007, it brought the negative effect of globalization on the lives of Indigenous peoples to the centre of public debate. The contributors to this innovative collection extend the discussion by asking, what can Indigenous peoples' experiences with and thoughts on globalization tell us about the relationship between globalization and autonomy and the meaning of the concepts themselves? *Indigenous Peoples and Autonomy* brings together scholars from multiple disciplines and backgrounds who seek answers to this question in grounded case studies. Whether its focus is sea rights among Torres Strait Islanders, James Bay Cree co-governance, the transformation of East Cree spirituality, or the co-optation of linguistics by Mayan activists, each chapter opens a window to view how Indigenous people are engaging with and challenging globalization and Western views of autonomy. *Indigenous Peoples and Autonomy* will play a critical role in public debate as non-state actors take a more prominent role on the global stage. This book will be of interest not only to scholars in globalization and indigenous studies but to anyone who wants a deeper understanding of postcolonial resistance movements.

Book Information

Series: Globalization and Autonomy

Paperback: 312 pages

Publisher: UBC Press (January 28, 2011)

Language: English

ISBN-10: 0774817933

ISBN-13: 978-0774817936

Product Dimensions: 6 x 0.7 x 8.9 inches

Shipping Weight: 1 pounds (View shipping rates and policies)
