# The Police In America: An Introduction

## Synopsis

The Police in America provides a comprehensive introduction to the foundations of policing in the United States today. Descriptive and analytical, the text is designed to offer undergraduate students a balanced and up-to-date overview of who the police are and what they do, the problems they face, and the many reforms and innovations that have taken place in policing. Using timely articles and excerpts, the authors take readers beyond the headlines and statistics to present a comprehensive and contemporary overview of what it means to be a police officer.

## Customer Reviews

This book is very informative and should be in every police officer's library. It is very readable and gives the terms in the margins on the page, making it easier to make note cards. It is an interesting book and is enjoyable to read.

these classes are intense, and there is a lot of information to take in, without having this book to study and review, there is no way I could get through class and expect to pass, it is a must have

In to Policing in Society? Criminal Justice/Sociology? Look no further. Tons of general info, great for filling papers. Author Samuel Walker is well respected in his field.

Exactly what I needed for school this semester, will help further my education. Fast shipment, and

great service! Thanks a lot!

MOST INTERESTING BOOK - A must read for your criminal justice course (as was for me) or just because you want the truth

great book, helped me tons with my school work! amazing book, great context love reading this every day. easy to follow

Well written and very easy to follow along.
