Customer Reviews

This is a strategy trading card game. It takes about 35 to 45 min to play this game for 12 year old with 9 year old. A person must play with one other person. Ages for play would be 9 years old on up to understand strategy. Very portable.

Im the kind of guy who loves comic books and have been looking for a tcg like this one for a very long time. It's better than I had hoped

awersome
