Great tips specially for Beginners on Pokemon Go.I believe this book is really for beginner who haven't known much about Pokemon Go or those who haven't tried the game yet. I like how the author startrd the book with the reasons you should start playing Pokemon Go right away. In here, there are lots of benefits that playing Pokemon Go offers that auhor also included.Also it's followed by the most frequently asked questions that have been answered by the author as well.Another unique part of the book is the glossary of words and the XP table that the author also included for you to be more familiarized in the game. The author also has given valuable tips from beginner type to advanced ones.I believe the value that you're gonna receive from this book is not just the in-game itself, but also how you can actually best play it in a real life. Again for me as beginner, there are so much things that you can learn from this book.Just follow the advice of the author, and definitely you will go on your way to become great as well in playing Pokemon Go.I highly recommend this book to everyone who are starting to play Pokemon Go, and those who want try the game,but don't have knowledge yet about the game.With that, I'd give Gaming Mind and Pokemon Go a Very High 5-Star.

This book allows people who wanted to play Pokemon Go but doesn't know how to start learn how to play. The primary aim of this book isn't only to explain and simplify things that every pokemon go beginner should know. Instead, this book will help learners become a Pokemon Go master. This book will also provide detailed instructions on how to play the game, as well as useful hacks that every beginner should know. And you will also get to see a wide array of useful Pokemon Go secrets and tricks on how to wil battles, catch rare and legendary Pokemon monsters, and become a Pokemon go master easily.

Indeed, Pokemon Go marks the beginning of the new era. And if there is one perk of playing this, that would be the benefit of walking. But what makes this book so interesting is that it has given 37

tried, useful, tested, practical tips and tricks that will definitely help anyone become the best player he wants to be. And it has been firm on its stand that this book will be anyone's guide in making smart choices that will eventually help anyone avoid the common mistakes that some, if not most, players are committing. This book is a keepsake.

The world of games has been served to the tune of the monsters making people move country to country searching to catch the monsters, The author says its possible to catch them without traveling that much and the tricks and what you nee to know has been included in this book.

Such an impressive and amazing Pokemon Go guide! I was shocked because the content is very unique. This guide is very easy to read, it packed with a lot of detail that you need to become a master trainer in this game. I recommend this book if you are looking for extensive learning and more in depth information about the game. Really worth recommending!

Pokemon Go has certainly become really popular world wide. And if you are a player yourself and would like to know more tricks about it, then this book is for you. In here, you will be provided with tips and tricks that will enable you to have an even more enjoyable gaming experience. This is such a convenient guide for gamers to read. With this, I am sure that youâ ™ll grow to love this amazing game.

Cool tip and tricks to help persons play Pokemon Go..there are endless battles that makes the game fun and exciting as well as training and catching Pokemon.It is really great that the author has developed this guide since there has been a recent Pokemon craze and persons are excited to learn about the game..it is even better to share among family and friends..
